

HELPING GROW NOTIFIER FROM THOUSANDS TO MILLIONS

*Vipond wins
International
Distributor of the
Year award.*

Oct. 22, 2009 — **VIPOND SYSTEMS GROUP** wins four awards during the 2009 Notifier Annual Distributor Conference in Tucson, Ariz. Vipond is the largest distributor of Notifier products in Canada.

“They have grown the Notifier business from thousands of dollars to millions of dollars per year,” said the Vice President of Notifier International Sales, Paul Harris. A Honeywell company, Notifier is a leading manufacturer of fire alarm and fire detection equipment worldwide.

Vipond’s Mississauga, Ontario, branch was awarded the highly coveted International Distributor of the Year and the Million Dollar Sales awards.

Vipond’s Regina and Edmonton branches earned the Notifier Diamond Distributor award for excellent efforts to promote and sell Notifier products.

“[The] Vipond team is very supportive of the fire alarm industry efforts,” Harris said. “They work on ULC codes, national building codes, and sit on the board of the Canadian Fire Alarm Association.” Harris presented the International Distributor of the Year award to Vipond Vice President, Mike Godara.

Vipond has repeatedly won Notifier awards for 10 years. However, this is the first time Vipond won four awards in one year including the International Distributor of the Year award.

Vipond Systems Group has expert capabilities in fire alarm, fire detection, special agent fire suppression, closed circuit TV, nurse call, public address, paging and access control systems. Its portfolio includes facilities such as the Toronto International Airport, York University, Toronto Western Hospital and the Lindsay Correctional Facility. ♻️
